Monseigneur,

L'eclat de votre naissance, l'importance des places que vous remplissez et la protection éclairée dont vous honorez les Lettres et les Arts vous donnent des droits sur les hommages de ceux qui les cultivent. Ces titres seuls auroient put m'engager à vous offrir celui de mon Ouvrage; j'y suis encore porté par la reconnoissance. Trop heureux de pouvoir publiquement vous en renouveller les assurances ainsy que celles du profond respect avec lesquelles je suis,

Monseigneur,

De votre grandeur,

Le très humble et très
Obeissant Serviteur,
Duport.
