

Tabulaturbuch /

Auff

Vergeltung

Darinne auff alle Sonntage

und hohen Fest durchs ganze Jahr auserlesene / liebliche und künstliche Moteten so mit den Euangelijß / Episteln / Introitibus, Responsorijß, Antiphonis, Oder derselben Historien überein kommen vnd eintreffen / der Fürnembssten vnd berühmsten Componisten / verfasst / vnd also geordnet / wie dieselben von den Autoribus im Gesang ohne Coloraturen gesetzt worden / damit ein jeglicher Organist solche Tabulatur auff seine Application bringen / vnd süglich brauchen kan.

Mit sonderlichem fleiß auserlesen / in eine richtige Ordnung gebracht / abgesetzt / vnd in Druck vorfertiget /

Durch

Johannem Kühling / von Born / Organist
zu Döbeln.

Der Erste Theil.

PSALMVS CL.

Laudate Dominum in tympano & Choro,
Laudate eum in Chordis & Organo.

Gedruckt zu Leipzig / bey Johan: Beyer /
Im Jahr unserer Erlösung /

M. D. Cxxxiij.

Den Durchlauchtigen / Hochge-
bornen Fürsten vnd Herrn / Herrn Fridrich Wilhelm / Herrn
Johansen / Herrn Johan Casimir / vnd Herrn Johan Erusten / Gebrüder
vnd Vettern / Herzogen zu Sachssen / Landgrafen in Düringen / vnd
Marggrafen zu Meissen / etc. Meinen gnedigen
Fürsten vnd Herrn.

Durchlauchtige / Hochgeborne Fürsten /
 Gnedige Herrn / Es bezeuget neben Gottes Wort
 die tegliche erfahrung / das wo Gott der Allmechtige
 mit dem hellen Licht des H. Euangelij von seinem
 geliebten Son vnserm Herrn Jesu Christo einzeucht /
 vnd dasselbe scheinen vnd leuchten leß / Er zugleich ne-
 ben den Himlischen vnd ewigen Gütern / mit sich
 bringe reichen vnd vollen Segen / von leiblichen vnd
 zeitlichen Gütern / die nicht allein zu vnserm leibes notturfft vnd erhaltung / son-
 dern auch zu beförderung vnd fortpflanzung seines heiligen vnd allein selig-
 machenden Wortes / dienen müssen / Ja er leß alda den vnerschöpflichen Reich-
 thumb seiner Güte vnd Gnade / gnugsam mercken vnd scheinen / Wie denn
 auch der Königlich Prophet Dauid dahin sihet im 45. Psalm / da Er spricht :
 Du krönest das Jar mit deinem Gut / vnd deine Fusstapfen
 trieffen von Fett. Denn daselbst dancket der Prophet Gott nicht allein
 für die leiblichen vnd zeitlichen Wohlthaten / als Friede / reiche vnd fruchtbare
 zeit : Sondern auch für die Himlischen vnd ewigen / Fürnemlich aber für die
 Offenbarung seines Göttlichen Wortes / vnd den rechten wahren Gottes-
 dienst / wie wir denn jetziger zeit / nach dem wir durch Gottes gnaden / aus der
 grewlichen Finsternis des Papstums / zum hellen klaren Licht Göttliches
 Wortes / kommen / auch gnugsam ursach haben deshalb Gott zu danken
 vnd zu loben.

Denn was für ein Barbaren vnd Bachanteren in allen Künsten vnd
 Sprachen vnterm Papstumb / neben den grewlichen Irthumen vnd Finster-
 nis in Gottes Wort gewesen / müssen nicht allein die jenigen / so darinnen ge-
 lebt / vnd solchs selbst erfahren / bekennen / Sondern ihre Bücher vnd Schrif-
 ten / bezeugens auch ihnen zu ewiger schande vnd auffruck.

Nach dem aber Gott der Allmechtige aus sonderlicher gnade bey vns
 Deutschen / am Abend der Welt / da er vns sehr gütlich gethan / d. i. helle klare
 Licht / seines heilwertigen Wortes / angezündet / durch den Aufferwecken
 rüstzeug / den theuren Man vnd Propheten Deutsches Landes Doct. Mart.
 Lutherum des Antichristis Abgötterey / misbreuch / betrug vnd Kremeren gne-
 diglichen geoffenbaret / vnd mit seinem heiligen Euangelio bey vns eingezoget /
 so hat er die Schatzkammer seines vnerschöpflichen Reichthums auffge-
 than / vnd zugleich allerley Segen von leiblichen vnd zeitlichen Gütern mit sich
 gebracht. Denn da hat Er (das ich anderer vns von Gott erzeigter Wohltha-
 ten geschweige) die schendliche vnd abschewliche Barbaren so vnterm Pap-
 stumb nicht allein in Kirchen / sondern auch in Schulen im schwang glenge-
 vortrieben /

vortreiben/ und den rechten nützlichen gebrauch aller guten Künste und Sprachen/ so nicht Menschen sondern Gottes Gaben sind / derer man zu beförderung seines heiligen Worts nicht entbehren kan / die schöne / liebliche und holdselige M V S I C A / welche noch nie so hoch kommen als jetztund / nicht die geringste/ Sondern die höchste und fürnehmste ist/ so den ruhm und vorzug für die andern alle billich behele.

Denn nach der Theologia und heiligen Predigamt hat sie den nächsten und höchste Ehre / weil sonst keine Kunst noch etwas anders ist/ das Gottes Wort in Christlicher gemeiner Versammlung mehr vber vund treibet seine herrliche Wunderwerk vund löbliche thaten mehr rühmet/ ihn mehr anruffet/preiset/lobet und demselben dancket/ als eben die liebliche Musica, vund sonderlich wenn sie die Biblischen Historien Altes vund Neues Testaments/ die schönen trostreichen und hertzbrechenden Psalmen / die herrlichen wolthaten Christi unsers Nütlers und Heylands im Euangelio verfasst / die andechtigen Gebet und Dancksagung zu Gott und vergleichen so Gottes Wort gemess führet/ den Text schmücket / die Wort so gleich tod rechte lebendig macht/ und derselben verstand / Inhalt und meinung mit Fingern zeigt / ja auff dem rücken mit sich darbringet/ Darumb auch der heilige Lehrer und Bischoff Nazarenus recht und wol gesagt: *Cæteræ artes tantum muti præcones sunt magnificentie DEI: Sola vera Musica-cantu & voce tum dicta tum facta DEI celebrat.*

Ich will aber alhier die grosse leichtfertigkeit / so eins teils hierinne führen und brauchen/ nicht verstanden haben/ welches ich warlich nicht loben kan / weil sie eines unbefindigen und leichtfertigen hertzen / sinnes und gemüts gewisse vernünftige anzeigung ist/ welche in dieser letzten zeit und grundsuppen der Welt sehr vberhand genommen/ jedoch mögen solche die lust und liebe dazu haben/ zu bequemer zeit und ort sich damit ergehen/ Denn kein scherz vñ leichtfertigkeit bey Gottes Wort stat haben sol: Sondern ich rede von der Musica/ welche in ihrer Composition neben der lieblichkeit zugleich veram artem, vund eine rechte ernste und prangende gravitatem / darlegen den Zuhörern das hertz im Leibe für freuden lachen und springen möchte / führet / die sie zu wahrer imbedingter andacht reiset/ sie lustiger und begieriger macht Gottes Wort zuhören und auffassen / vund dazzu den Teuffel sampt allen bösen gedanken vund schwermüdigkeit vortreibt.

Wie dem vmb solcher ursach willen / diese herrliche und Himlische Kunst für vund für zu aller zeit / neben dem heiligen Predigamt / bey dem rechten Gottesdienst in der Kirchen Gottes ist behalten / und beydes mit Menschen stimmen zu Chor und von der ganzen Gemeine / vund auch mit allerlei lieblichen vund künstlichen Instrumenten/ als Orgeln / Harffen / Posaunen / Zincken/ Posaunen und dergleichen/ eifrig getrieben / darzu auch von allen Guteseligen und Christlichen Königen/ Kaysern/ Fürsten und Herrn / hoch geliebet/ vund mit grossen euforien befördert worden / Als vom Könige David/ von welchem die Schrift sagt: *Fecit Cantores & Cantatrices, 1. Paral. 7. 24. 25.* vom Salomon und ihren Nachkommen / welche erstlich den rechten Gottesdienst/

auff

auff seinen vorgehenden Befehl angerichtet: Und auch beides vor vnd jetzt zu vnsern Zeiten / von vielen löblichen Keisern / Chur vnd Fürsten / auch andern Potentaten des Römischen Reichs geschehen / vnter welchen E. K. M. vorgefahren / Grosseltern vnd verwanten hochlöblicher vnd milder gedächtnis nicht die geringste gewesen / wie Doctor Luther selbes bekent / in seinen Tischreden / da er also saget: Reges & Principes Musicam defendere & tueri oportet, Nam Monarcharum est conseruare artes & leges. Dux Fridericus & Hassia Comes habuerunt Musicam, iam vero Cæsar Ferdinandus, & Bauri illam conseruunt.

Über das (damit ich ist der andern nützlichen vnd seligen gebrauch welche vns die Musica in diesem leben gibt / geschweige) so werden wir dieselbe in jenem andern vnd zukünftigen ewigen leben / da wir der andern künfft nit mehr werden acht noch benötigt sein / allererst recht gebrauchen / welches wir hic in diesem zeitlichen leben nur eine geringen vorschmack empfinde / da der ewige Son Gottes als vnser $\tau\epsilon\alpha\varsigma\chi\omicron\omicron\varsigma$ Præcentor vnd Sappelmeister vns intoniren, anstimmen vnd vorsingen wird / vnd wir ihm mit vollen Chor der heiligen Engeln vnd auferwekten Gottes ohne auffhören / ohne verdruß beschwerung vnd müdigkeit nachsingen / Gott die Heilige Dreysaltigkeit / rühmen loben vnd preisen werden / vnd nicht eines Menschen als Iosquini, Senflin, Clementis, Crequilonis &c. Composition mit 4. 5. 6. 8. 12. oder mehr stimmen / wie in diesem irdischen leben: Sondern eine Himlische Composition, mit vnzehlich viel stimmen / nemlich das fröliche Te Deum Laudamus, das freudenreiche Sanctus, Sanctus, Sanctus Dominus DEVS Sabaoth, beides mit munde vnd hertzen singen vnd Spielen.

Derhalben sollen wir die holdselige Musicam als eine Göttliche vnd Himlische Kunst / der wir weder hic noch dort in jenem leben entperen können / für eine sonderliche vnd aller höchste gabe Gottes nach seinem allein seligmachenden Wort / erkennen / halten / ehren / vnd Gott von hertzen dafür danken / auch alhie in diesem Leben ansehen / daran zu stamlen vnd zu lallen / auff das dadurch ein herrliches sehnen vnd verlangen / nach dem zukünftigen ewigen leben vnd Himlischer schulen / darinne wir so vollkommenlich Studiren vnd brauchen / in vns erwache vnd verursache werde.

WELCH denn fürnemlich vmb solcher vrsach willen in meiner Jugend neben der lust vnd liebe die ich darzu getragen / mich auff diese holdselige / liebliche vnd himlische Kunst begeben / vnd noch immer daran buchstabier vnd lerne / auch nicht wenig vleis / mühe vnd arbeit (doch ohne ruhm zu melden) mit sammeln / umbschreiben vnd absetzen gutes Gesanges der vornehmsten Componisten / bisher bey meiner Vocation, darzu ich vntwirdig von Gott beruffen / zubracht / Endlich auch ein feinen Thesaurum eines zimlichen vnd grossen Voluminis in eine richtige Ordnung nach den Sontagen vnd Festen im Jahr / für mich zubrauchen zugerichtet / welcher vielen Musicis vnd Organisten / so es gesehen / gefallen / vnd vmb denselben ihnen mitzutheilen / offte bey mir angelanger: Etwes aber umbzuschreiben grosse mühe vnd viel zeit wie wissenschaftlich erfordert /

Vorrede.

Als hab ich auff etlicher eubßiges anhalten diese gegenwertige Gesenge in Organischer Tabulatur vund Zarsordnung aus vielen andern gleich als den Kern/ raus gelesen/ in Druck vortfertiget / andern auch willig mitteilen wollen/ darzu sie denn geringlich kommen/ vnd dardurch zu gleichem wo nicht mehrern vleis vnd ordnung gereitzu / vnd angewiesen werden möchten.

Nach dem aber Durchleuchtige / Hochgeborne Fürsten vnd Herren / die reine gesunde Lehre Göttliches Worts / neben den wahren/ nützlichen vnd notwendigen gebrauch guter Künste vund Sprachen / Sonderlich aber der Musicken beyregierung E. K. M. Groseltern/ hochlöblicher vund milder gedechtnis/ nicht eine geringe beföderung / auch Leibes vnd lebens gefahr / da sie solche neben den andern Protestirenden Stenden auff dem Reichstage zu Augspurg Anno 10. gehalten/ vnd an andern örtern für Gott vnd der Welt offentlich bekandt/ derselben aus sonderlicher gnaden Gottes offenbaret/ vnd vnter ihrer Ehur vnd Fürslichen Gnaden fort gepflantzet/ ausgebreitet / beschützet / vund E. K. M. auffgeerbet worden/ die es denn auch mit gleichem ernst vnd vleis/ bey ihren K. M. Vnterthanen vund Landen erhalten / vntd in ihrer Fürslichen Gnaden/ Hochlöblicher Vorfahren vnd Erben fuststapfen getreten. So habe E. K. M. diesen meinen angewenen fleis vund arbeit an dieser holdseligen Kunst der Musicken/ die man bey dem rechten Gottesdienst in der Kirchen neben dem Predigamt seines heiligen Worts vnd Euangelij gebraucht vnd haben mus/ Ich Redigiren vnd zuschreiben wollen/ Vnterthenigst bittend E. K. M. wollen es in allen Gnaden vormercken / vnd diese meine wolgemeinte Arbelt zu trauung eines zukünfftigen glückseligen neuen Jahres / gnedigst vnter auffnehmen. Welchs vnd E. K. M. mit meinem eubßigen Gebet gegen Gott vnd meinen vnterthenigsten diensien Ich jederzeit vnterthenig vordienem will. Datum Doheln den 10. Decemb. Anno 1582.

E. K. M.

Vnterthenigst

Johannes Ritting/ Organist
mit dafelbst.

AD ORGANISTAM.

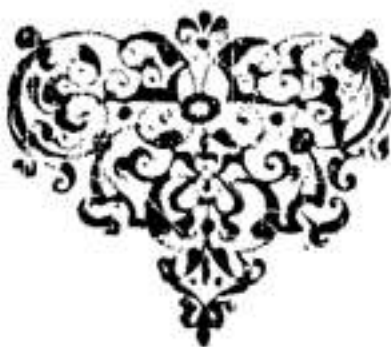

Unstiger lieber Leser vnd Organist/nach dem diese zeit vber weil ich vnter
 dir zu dienste gewesen / mich sonderlich auff gute außserlene Gesang von
 Choral vnd Moteten beflissen / derselben wo ich ihr hab können vberlehn-
 men/abgeschriben vnd abgesetzt/ vmb dieser vrsach willen/ auff das ich das
 artificium vnd die lieblichkeiten der Componisten darinnen sehen möge/
 vnd wie sie die Fugen fein ordentlich in den stimmen nacheinander führen vnd
 brauchen. Als habe ich mich der mühe vnderwunden/ vnd dis buch in eine
 Tharsordnung zusammen bracht/nicht darumb / das ich faule Organisten damit machen/
 Sondern ihnen zu gleichem wo nicht mehrerm fleis vrsach geben/ viel weniger mit dardurch
 einen nahmen suchen/ vnd etwas sonderlichs für andern Organisten zu sein/ wolte/ denn ich
 mein tenzitatem hierinne erkenne/ Sondern vmb der einfeltigen willen/ welche gerne einen
 Gesang absetzen / wenn sie denselben bephanden hetten / Auch das Gesang vnd Orgel wie
 der Lehr vnd Predigt/ so an demselben Fest oder Sonntag gehalten wird/ ein treffe/ vnd an-
 dern hierinne solche ordnung zuhalten anleitung weiset / der hoffnung das dieser mein fleis
 nicht vbel werde angewendet sein/ vnd so es gleich nicht fallen gefalle/ wie es denn allzeit Na-
 sutos Zoilos vnd imperitos, die nichts loben denn was sie machen / gibt / wird es doch
 ohne Zweifel dem einfeltigen so ich zu mehrern theil hierinne gewisart haben wil / gefallen.

Ich hab auch etliche stück in die 5. 4. vnd 2. transponirt, dieselben Choromaf ge-
 setzt/versehe mich es wird keinem mißgefallen. Hette auch gerne das ganze Buch also ge-
 ordnet vnd angestellet/damit man in keiner Motet dürffte vmbwenden / wie denn solches
 einem Organisten im schlagen sehr hinderlich / Aber es hat sich nicht in allen leiden wollen/
 darumb hab ich in etlichen Gesengen welche ich nicht vermocht einzubringen / etliche signa
 gemacht / die wird ein iglicher Vorstendiger Organist wol zu suchen / vnd sich darnach zu
 richten wissen/als im Weinacht Liedlein/ Ein Kindlein so löblich/ Item/im Oftergesang/
 Christ lag in Todes banden/ini Pfingstgesang/ Also hat Gott die Welt geliebt/ vnd in an-
 deren mehr/ Solches ist nicht vmb sparsamkeit das Pappirs oder vnkosten willen geschehen/

Sondern das ich es gerne wo möglich gewesen auff einem folio ohne vmbwenden ein-
 geteilet hette. Was den andern theil der Fest belanget / ist auch schon albereit

vor die Hand genommen vnd sol/ geliebtis Gott/ in kurzen auch
 auffgelegt/ vnd denen so es begern/ mitgeteilet werden/
 hiemit Göttlichem schus befohlen.

AD INVENTVTEM ORGANICÆ MUSICES
