IL LVSTRISSIMO SIGNORE.

Signore, e Padron Colendissimo.

IL desiderio grande, che V.S. Illustrissima hà mostrato sèpre, che si tirino auanti li Cantoni, che seruono alla Cappella, è stato sempre motiuo à me di cercare occasione d' esercitarli, che perciò hò mandato alle Stampe due libri di Ricercari, ma perche sempre più hò conosciuto, che V.S. Illustriss. hà hauuto premura, che li medesimi Cantori si approfittino anconel Contrapunto, perciò hò risoluto anco di mandar in luce questo terzo Libro pur di Ricercari, à tre voci, che lo stimo proportionatissimo per quelli, che vorranno attendere alla compositione, sì come anco alli Scolari più principianti. Gli hò appoggiati alla molta Autorità di V.S. Illustrissima, acciò li protegga, come parto d' vn obligatissimo Seruitore suo, e di tutta la sua Casa, e come Vigilantissimo Rettore, di questa Chiesa, che desidera sempre di tirare auanti Soggetti per suo seruitio e con questo le fò humilissima riuerenza.
