Wait!

Wait for me, dear, if you pass the way
Of the sunset fields when the hour is late;
There in the hush of the dying day
Dearest, wait!

Wait while the wind whispers dreamy words, And the stars of Heaven are compassionate; When slumber comes to the nesting birds Dearest, wait!

Wait for me, dear, if you pass among
The lilies that stand by the golden gate.
I shall be coming at even-song;
Dearest, wait!
