Hymn, SATB

Words and music by Dorothea Baker

10

1. Teach us, oh Lord, we humbly pray,  
to love you with full heart,  
that, at the closing of this day,  
we may with grace depart.
2. Help us, oh Lord of love and might,  
your bidding so to do,  
that we may see your kingdom bright,  
and ever dwell with you.
3. Let now your servant depart in peace,  
according to your word,  
and let our praises never cease,  
throughout the whole wide earth.
