Oh, re--turn that . happier day! Why so swift.ly

pass a--- way? Day of sa-cred peace return, Leave me not to mourn!

Then no sin, no grief as--- saild; Sweet com--po--sure then prevaild;

Meek sim--pli---ci---ty my breast, Ten-der then po--sess'd

Oh, re--turn that happier day! Why so swift--ly pass a--- way?

Then, my heart's fair garden grew,
 Glist'ning with a gracious dew;
 I in sunshine, calm and bright,
 Walk'd in heav'n's own light.
 Where is now that gracious dew?
 Ah! 'tis brush'd, exhal'd from view:
 Where that sunshine, calm and bright!
 Clouds have marr'd its light.
 Oh, return &c.
