Words and Music  
BY **LEE JOHNSON**

The central design features the word 'GLORINE' in a large, black, outlined Gothic font. The letters are intertwined with delicate floral and vine motifs. A circular portrait of a woman's head and shoulders in profile is integrated into the letter 'O'. Below the main title, the word 'BALLAD' is written on a ribbon-like banner. At the bottom, the text 'Words and Music BY LEE JOHNSON' is displayed in a mix of Gothic and cursive fonts. A small number '5' is located at the bottom right of the decorative arrangement.
